# Pure, Rich Blood

Gives Appetite, Tones Up the Nerves.

When the blood is bad everything is  
bad. There is loss of appetite, great  
depression, the nerves are weak, no  
energy, the face is pale, and there  
is loss in flesh. Mrs. Annie Power,  
of Spring Hill, Brisbane, Queensland,  
sends us her photograph and says:

"I have suffered greatly from loss of ap-  
petite, great weakness of the nerves, thin blood,  
and from the trying climate of this part of the  
country, especially during the summer. I  
have used

# QUARANTINE KNOCKED OUT

SAN FRANCISCO HEALTH BOARD  
NOT SUSTAINED.

Judge Morrow Decides It Was Adminis-  
tered "With An Evil Eye and An Un-  
equal Hand."

SAN FRANCISCO, June 15.—Judge  
Morrow of the United States Circuit  
court, this morning knocked out the  
quarantine of Chinatown, and put an  
end to the health board's reign of ter-  
ror. In an elaborate oral opinion he  
held that the Circuit court had jurisdic-  
tion to question the reasonableness of  
the quarantine as a police measure;  
that the quarantine was unreasonable  
because it included a large and popu-  
lar section, while communication with  
houses, supposed to be infected, was not  
prevented, and thereby the health  
board, by keeping 10,000 Chinese ex-  
posed to the plague, had increased and  
not diminished the danger of contagion,  
if any disease or danger existed; that  
the quarantine discriminated against  
the Chinese and was, therefore, in vio-  
lation of the federal constitution; and  
that the health board had administered  
the law "with an evil eye and an un-  
equal hand."

Judge Morrow said forcibly that in  
his opinion bubonic plague did not exist  
and had not existed in this city, and  
that he would so decide if it were nec-  
essary. He granted an injunction and  
ordered that the quarantine of Chinat-  
own cease.

District Judge De Haven was not  
present, but concurred with the opinion  
of Judge Morrow.  
RENO, Nev., June 16.—An order was  
received last evening by Federal Health  
Officer McQuestin in this city. It was  
sent by Quarantine Officer Kinyoun in  
San Francisco. The local officer was  
ordered to search all east bound trains  
for passengers from San Francisco at  
the State line. These were to be re-  
quired to produce certificates of health  
from the United States marine officer. In  
the event of their failure to produce this  
document, they were to be turned back-  
ward in their flight.

WOMEN IN THE PUBLIC EYE.

The Massachusetts Daughters of the  
American Revolution have purchased  
for the Medford, Mass., cemetery a  
monument to Sarah Bradley Fulton, one  
of the State's revolutionary heroines.

A monument to cost \$3,800 is to be  
erected over the grave of Mrs. B. M.  
Goldberg, in Forest Home cemetery,  
Milwaukee. It will be of granite, and a  
statue five and a half feet high will  
surmount a column thirteen feet in  
height. The statue will be an exact  
likeness of Mrs. Goldberg.

The last descendant of John Bunyan  
has just died at Lincoln, England. In  
the person of Mrs. T. M. Keyworth.  
The last male descendant died many  
years ago, and a monument is erected  
to his memory in Lincoln cemetery.

Now the honored line is extinct. Mrs.  
Keyworth was nearly 99 years of age.  
The will of Mary Adams Bulkley, who  
died at her home in Rye, N. Y., on May  
1, was filed in the surrogate's office at  
White Plains recently. The will is  
written in the testatrix's own hand-  
writing. Mrs. Bulkley wrote the will  
on December 5, 1898, and she was 70  
years old at the time she made the in-  
strument. The estate is estimated at  
about \$250,000.

Mrs. Laura A. Alderman owns the  
largest orchard in South Dakota. Ac-  
cording to W. N. Irwin, chief of the  
division of pomology of the department  
of agriculture in Washington, Mrs. Al-  
derman has near Hurley, Turner coun-  
ty, 150 acres, in which are 8,000 trees,  
two acres being given over to plums.  
Besides the trees there are 1,000 currant  
bushes, 1,000 gooseberry bushes, 500  
grapevines, and three acres of straw-  
berries.

TOBACCO FOR HAWAII.

SAN FRANCISCO, June 15.—The  
change to American methods of the  
internal revenue collection of Hawaii  
has caused some trouble among ship-  
ping people.

A number of eastern shippers of to-  
bacco and beer seek freight to this  
coast for shipment to Hawaii previous  
to the 14th of June. By having the  
freight leave this port by that date the  
shippers escaped the internal revenue  
tax. The freight was delayed on the  
way, however, and the bark Rhodrick  
Derman was unable to get away till 2  
o'clock yesterday. The internal revenue  
officers learned the fact today, and the  
vessel will be stopped at Hilo and a  
tax collected on the taxable goods,  
which consist of two carloads of bot-  
tled beer and a large quantity of to-  
bacco.

The schooner Robert Hinds has al-  
most completed loading for Honolulu.  
She has a quantity of tobacco way  
down in the hold.

Revenue Agent Towne said it was  
subject to tax and would have to be  
unloaded. An amount has been made  
that the tax be collected at Honolulu,  
as the cost of reaching the tobacco and  
taking it out would be \$625.

ocratic State Convention today selected

James G. Maguire of San Francisco;  
James D. Phelan of San Francisco;  
Stephen M. White of Los Angeles; M.  
P. Tarpey of Alameda.
